What happens next

- 1 **It's your default now**
The new card pays your memberships and any unpaid bills from now on.
- 2 **Change your mind?**
Tap **Make default** on another card, or **Remove** on one you don't want. Removing a card does not cancel a membership.

Good to know

Will I be charged right away?

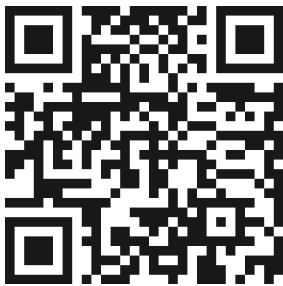

Only if a membership is waiting for a card: its first payment is taken when you save. Otherwise nothing is charged until the next bill.

Is it safe?

Your card is kept by Stripe, the payment company your school uses. The school never sees the full number.

Paying by bank instead?

Tap **Add a bank account**. It opens a secure Stripe page to connect your bank.

Stuck?

Ask the front desk at your school. They can send you a link to add your card, or take it at the desk.
