**LIABILITY WAIVER**

You'll sign our liability waiver inside the portal after you finish signing up. Staff can't check anyone in for a class until it's signed, so we'll remind you in the portal and via email until it's done.

**PHOTO & SOCIAL MEDIA RELEASE**

We occasionally take photos and videos during class, events, belt tests, and tournaments. With your permission, we may use these on our website, social media (Facebook, Instagram), and printed materials to celebrate students and promote the dojo. We never sell photos and never use names of minors without separate written consent.

☐ I grant the organization permission to photograph and video record the student during class and events, and to use those images on its website, social media accounts, and printed materials. I understand I can revoke this consent at any time by contacting the front desk.

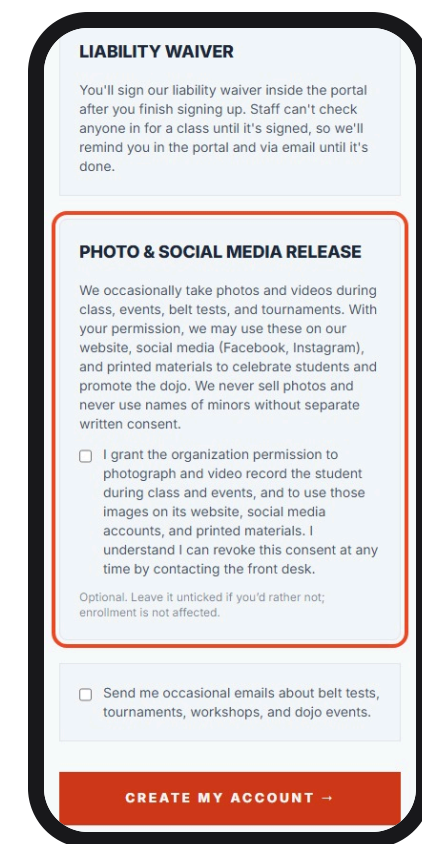

Optional. Leave it unticked if you'd rather not; enrollment is not affected.

☐ Send me occasional emails about belt tests, tournaments, workshops, and dojo events.
